Note: Please phone the day before to let them know you are coming and about what time you will be there. Maria sometimes is well enough to attend the 10am mass. Mary is 100 years old and has her niece Margaret living with her. Celia is in her late 80s and has been housebound after a fall back in June last year. Was previously very independent and drove to mass every Sunday. Bernadine and Patricia are cousins and like us to meet at one of their homes (usually Patricia's) but sometimes Patricia is away at her daughter's place and Bernadine likes us to meet at her place.

Note: Michael Hallagan and Ethne WyndhamSmith minister at 10am Sunday mass when taking communion to the sick.
