Christina for her presentation.

The Galilee Project was to provide a seaworthy boat for travel around Gizo Dioceses in the Solomon Islands. Caritas and Voluntary Service Abroad and many volunteers spent many hours, after purchasing, refurbishing the boat to take the long sea voyage to the Solomon's.

Finally, after two years, the Galilee was blessed on October 17<sup>th</sup> 2017 and left for Giza arriving on the 19<sup>th</sup> December, 2017. So many people involved- it is the story of many.

The CWL money will go towards keeping the boat sailing. *(From Conference Minutes July2018)*
